## WHAT TO IMAGINE

Close your eyes, take a deep breath. Breathe in... breathe out... IMAGINE! Imagine fresh air, green mountains, valleys, trees, birds chirping, the soothing sounds of the rivulets, oh and suddenly the buzz from a busy local market, the vendors trying to sell their vegetables.

Imagine colours... red, blue, yellow, green and more... the local craftsmen, the local cuisine, even our local sega is colourful. Imagine, being in the middle of such beauty, heaven on earth they say! Indeed it is. Alanoula Mauritius... we help you disconnect to reconnect.
